

REMARKS

Claims 1-11 are currently pending in the patent application. The Examiner has allowed Claims 1-4 and 6-11 and has rejected Claim 5 under 35 USC 102 as anticipated by Col.

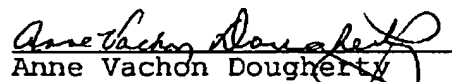

Applicants have canceled the non-allowed claim and have submitted an amendment to address a potential antecedent basis concern in Claim 6. Applicants believe that this Amendment places all remaining claims in condition for allowance.

Based on the foregoing amendments and remarks, Applicants respectfully request entry of the amendment and allowance of the claims.

Respectfully submitted,

G. Bilardi, et al
